Rouen, October 2002

INSTANTGUM™: THE ACACIA GUM FOR THE NEW MILLENIUM

CNI's new specific line for instantized Acacia gum allows many different qualities for all traditional applications of gum Acacia. Obtained through a fully new process, INSTANTGUM™ is a dust free high-speed dispersible line of Acacia gum.

Its mesh size avoids the presence of fine particles and lump formation when dispersed in water,

Its free flowing form simplifies the weighing and avoids vault formation,

The porous structure of INSTANTGUM™ particles allows unrivalled wetting capacity.

The use of INSTANTGUM™ represents cost savings in energy. Wet in a few seconds and immediately dissolved, its use avoids dusting problem in the workshop.

CNI - We add nothing to nature but innovation.™
